## THE COUNTY OF BURNET

Thank you for your interest in becoming an election worker for Burnet County Elections! Assisting voters on Election Day is one of the most important responsibilities of our free society. We are honored that you have shown interest in being involved in such an important part of our democratic process.

Poll workers tell us that they enjoy being part of the action and the excitement of voting. They come from all walks of life and backgrounds. They are our neighbors, folks who are just like you and me.

Former US Senator Paul Wellstone once said, "As free citizens in a political democracy, we have a responsibility to be interested and involved in the affairs of the human community, be it at the local or the global level." On Election Day, these people take that responsibility further than most and I am grateful to have so many great citizens who care about our community and our democracy enough to give their time to help ensure the rest of us can vote.

I encourage you to be part of the election process by working at the polls. You will be paid for your service and get the satisfaction of knowing that you played an important role in assisting our citizens in selecting our future leaders.
